IN THE HOUSE OF REPRESENTATIVES

JANUARY 7, 1957

Mr. KEATING submitted the following concurrent resolution; which was referred to the Committee on Foreign Affairs

CONCURRENT RESOLUTION

Whereas the people of the United States have long-standing bonds of friendship with the people of Hungary; and

Whereas many fine Americans of Hungarian descent have contributed to the greatness of our Nation; and

Whereas in recent years the Communist conspiracy has subjected the people of Hungary to one of the most cruel regimes of regimentation and exploitation of human beings ever known to mankind; and

Whereas in recent months the people of Hungary have risen in righteous revolt against their Communist oppressors, have exhibited unparalleled courage in the face of great odds, and have been crushed by methods of ruthless brutality unknown to civilized man; Now, therefore, be it

- 1 *Resolved by the House of Representatives (the Senate*
- 2 *concurring)*, That the Congress of the United States express

2

1 its revulsion and strongest condemnation that a member of
2 the United Nations, and organization dedicated inter alia to
3 the promotion and encouragement of respect for respect for
4 human rights and fundamental freedoms for all, should en-
5 gage in an unjustifiable and inhumane suppression of the
6 Hungarian people's expression of their desire for freedom.
7 It is further the sense of Congress that the United States
8 should continue to press for an investigation of the issues as
9 to such violations by the United Nations or by such other
10 means as may be most appropriate.
